

**St Mark's Church School** is proud of its distinctive uniform. Designed to complement the learning environment, the uniform encourages pride in the school and fosters self-assurance among the students.

The school crest which appears on the blazer and other uniform items, displays the distinctive symbol of the lion of St Mark.

Students are required to comply with the school's uniform standards and dress codes at all times. Full uniform including the blazer must be worn correctly when travelling between home and school. The sports uniform must be worn for school sports events. It may not be worn to and from school.

All uniform and accessory items are sold through The Den operated by the St Mark's Uniform Charitable Trust. The uniforms are all manufactured from quality fabrics, chosen for their durability, availability and affordability. Parents can expect a minimum of two years' continuous wear from our uniforms if they are treated with care.

### **Opening Hours**

The Den is open on Monday and Thursday mornings from 8.00am to 9.30am, and on Monday afternoons from 2.30pm to 4.00pm during school terms. For new enrolments and at times of high demand the shop has special opening hours that are advised well in advance.

### **Uniform Fitting**

All new students commencing at St Mark's, and 5 year-olds "flying up" from Preschool, require an appointment for a full uniform fitting. Parents are asked to telephone The Den to make an appointment a few weeks in advance of the student's entry to school. Each new student fitting takes about 30 – 45 minutes. The entire uniform costs between \$900 and \$1100 per student, depending on age, size and individual requirements. The initial uniform cost needs to be paid at the time of purchase by cash, cheque, Eftpos, Visa or Mastercard.

### **Stock and Size Items**

A complete range of clothing items and sizes provides convenience to families and keeps alterations to a minimum. Incorrectly sized items may be returned and replaced provided the original garment has not been worn.

### **Second-hand Clothing**

A range of second-hand clothing is sold in The Den. Only garments of good quality will be acquired back from parents for resale to ensure a high standard of dress.

### **Footwear**

Children in Years 0-2 may wear Velcro fastening black leather school shoes. Black leather **lace-up** school shoes are compulsory regulation footwear for all children in Year 3 upwards. Plain black sandals are optional in Terms 1 and 4. However shoes and socks must be worn for certain formal school occasions. Shoes and sandals are available from footwear retailers.

### **Clothing Labels**

All articles of school uniform must be marked clearly with the owner's name.

### **Accessories**

No jewellery is acceptable with school uniform, except for a watch. For pierced ears, one small gold stud may be worn in each ear. Multiple studs are not permitted. Make-up and nail polish are not permitted. Shoulder length hair must be tied back. Decorative hair bands or clips are not permitted.
