The Den

St Mark's School is proud of its distinctive uniform. Designed to complement the learning environment, the uniform encourages pride in the school and fosters self-assurance among the students.

The school crest which appears on the blazer and other uniform items, display the distinctive symbol of the lion of St Mark.

Students are required to comply with the school's uniform standards and dress codes at all times. Full uniform including the blazer must be worn correctly when travelling between home and school. The sports uniform must be worn for school sports events. It may not be worn to and from school.

All uniform and accessory items are sold through The Den operated by the St Mark's Uniform Charitable Trust. The uniforms are all manufactured from quality fabrics, chosen for their durability, availability and affordability.

Preschool Uniform

In 2013 the St Mark's School Board decided to introduce a Preschool uniform.

The uniform will ensure easy identification of the children belonging to our Preschool and will bring with it other benefits of having standard clothing items.

The uniform fits the school's branding, and to assist with longevity, some items are compatible with our current school Uniform.

Uniform Fitting

All new students commencing at St Mark's, and 5-year-old "flying up" from Preschool, require an appointment for a full uniform fitting. Parents are asked to email The Den to make an appointment a few weeks in advance of the student's entry to school. Each new student fitting takes about 30 – 45 minutes.

The entire uniform costs between \$900 and \$1100 per student, depending on age, size and individual requirements. The initial uniform cost needs to be paid at the time of purchase by Eftpos, Visa or Mastercard.
